

ICAR-NBFGR convened 7th Annual Review Workshop of ICAR Consortium Research Platform on Genomics

The 7th Annual Review Workshop for ICAR Consortium Research Platform (CRP) on Genomics was held at ICAR-National Bureau of Fish Genetic Resources (NBFGR), Lucknow from May 26-27, 2023 under the Chairmanship of Dr. J. K. Jena, Co-ordinator, ICAR-CRP-Genomics and Deputy Director General (Fisheries Science), ICAR, New Delhi. The external expert Dr. A. K. Shasany, Director, CSIR-NBRI, Lucknow and project personnels (PIs and Co-PIs) from eleven ICAR collaborating institutes were present during the meeting. Dr. U. K. Sarkar, Director, ICAR-NBFGR, Lucknow welcomed the guests and participants, at the beginning.

Dr Jena, in his address, gave an overview of the work undertaken under the programme and expressed his satisfaction on the expertise gained and built in the fields of genomics research by all partners in previous years. He also emphasized that the work from this platform should come out as publications in high impact journals, as well as the utility of these information should be translated into applications. He also urged upon working together cutting across disciplines for achieving high impact results, in a consortium mode. Dr. Shasany urged the scientists for meaningful and applicable research outputs from the data generated by respective institutes, under CRP Genomics. Director, NBFGR emphasised on systematic documentation and wide publicity of research work.

Principal investigators from participating institutes of the programme presented the progress report and was thoroughly discussed, during workshop. Dr. Vindhya Mohindra, Co-coordinator, presented the vote of thanks.
