NBFGFR HOSTS SCHOOL KIDS ON AGRICULTURE EDUCATION DAY

LUCKNOW: National Bureau of Fish Genetic Resources (NBFGFR) hosted children from various city schools to mark the occasion of Agriculture Education Day on Tuesday. Speaking on the occasion, NBFGFR director Kuldeep K Lal said, "Our institute is part of Indian Council of Agriculture Research(ICAR) and it is honour for us to connect with the young generation and inform them about what research we do." Agriculture Education Day is celebrated to commemorate the birthday of Bharat Ratna Dr. Rajendra Prasad, first President and first agriculture minister of the country. The invited students participated in a painting and essay writing competition on the topic of environment and agriculture. The students also interacted with the scientist.
