

## ICAR-NBFGR Organised Residential Training for Fish Farmers of Uttar Pradesh on Freshwater Aquaculture

Lucknow, 21.11.2025

ICAR-NBFGR organised a residential training on Freshwater Aquaculture, for 25 scheduled caste fish farmer members of *Abhinav Matsya Jiwi Sahkari* Federation and Fish Farmer Producer Organisation (FFPO), Barabanki, Uttar Pradesh, at its Aquaculture Research and Training Unit (ARTU), Chinhat, Lucknow, during 17-21 November 2025. Dr. Kajal Chakraborty, Director, ICAR-NBFGR, along with Dr. Kuldeep Kumar, Former Principal Scientist, ICAR-CIFA, Bhubneshwar and Dr. P. K. Varshney, Former Principal Scientist, ICAR-NBFGR, addressed the farmers and emphasised on upliftment of fish farmers' income and livelihood through scientific fish farming. The beneficiaries received essential aquaculture inputs, including fish nets, water-quality parameter kits, digital balances, and oxygen tablets. Dr. S. K. Singh, Principal Scientist, Dr. Santosh Kumar, Scientist, Shri Sanjay Kumar Singh, ACTO, coordinated the programme. ICAR-NBFGR celebrated World Fisheries Day on 21 November 2025, along with fish farmers.
