

Training-cum-Workshop
on
**Integrative Taxonomy and Systematics of
Finfish and Shellfish**
(ITSFS-2023)

14-18 April, 2023

About ICAR-NBFGR

ICAR - National Bureau of Fish Genetic Resources (ICAR - NBFGR) is a research organization under the aegis of the Indian Council of Agricultural Research, DARE, Ministry of Agriculture and Farmer's Welfare, Govt. of India. The institute undertakes research activities related to the assessment and conservation of fish genetic resources for intellectual property protection, sustainable utilization, and posterity

Objectives

- To appraise the participants about the current status and applications of fish taxonomical tools in fisheries research.
- To equip the students to understand concepts and emerging trends in taxonomical methods including molecular approaches

New Facility - National Fish Museum and Repository complex

Well-established state of art facility with the collection of fish specimens across the country along with type specimens of new species for research and academic purposes

Eminent Speakers

Dr. V.K. Venkataramani

Adjunct Professor
TNJFU- Fisheries College &
Research Institute Thoothukkudi

Dr. K. V. Jayachandran

Former Dean, KUFOS, Kochi

Dr. R. Soundararajan

Senior Scientific Consultant
NCSCM/BOBP-IGO, Chennai

Dr. Anil Mohapatra

Scientist E & Officer in Charge
Zoological Survey of India
Gopalpur-on-Sea, Odisha

Who can attend?

Faculties, research scholars and students from fisheries, marine biology, and allied sciences

No registration fee and working lunch will be provided

Certificate will be provided by the Institute after successful completion of the training

About Lucknow

Lucknow, the capital of Uttar Pradesh is located at 26° 55' N and 80° 59' E on the bank of river Gomti. It was historically known as the Awadh and dates back to the Suryavanshi dynasty. The rich cultural heritage renders it as one of the beautiful

cities in India and it is known for its hospitality and *tehjib*. The city is famous for its magnificent monumental works and beautiful poetry as well as courtly diction since the era of Mughals. Its gorgeous chikankari and gourmet vintage points make it 'the city of grandeur'. Lucknow is also a hub of premier scientific institutes belonging to ICAR, CSIR and DST *etc.*

Organisers

Convenor

Dr. U. K. Sarkar

Director
ICAR- NBFGR, Lucknow

Co-Convenor

Dr. L.K. Tyagi

HoD Acting, FCD

ICAR- NBFGR, Lucknow

Coordinators

Dr. A. Kathirvelpandian

Senior Scientist

PMFGR Centre, ICAR-NBFGR
Kochi

&

Dr. Rejani Chandran

Scientist

ICAR-NBFGR, Lucknow
